

Summer 2023 Maintenance Projects

Playground Improvements

- Using PSP staff and the district's mowing and landscaping contractor many things were done to spruce up the playgrounds at our elementary schools including:
 - Removal of sod and weeds from playground equipment fall areas
 - Trimming of trees and bushes
 - Removal of dead or overgrown trees and shrubs
 - Repair of concrete/asphalt play surfaces
 - Refreshing of wood chips in fall areas
 - Planting of new perennial plants in garden areas
 - Removal of unused garden areas
 - Install kickball surface

Gym Floors

- Gym floors at Central Elementary and at the Middle School were sanded, lines painted and new floor finished was applied.
- The High School auxillary gym floor will also be refinished beginning in the next few weeks.

Carpeting

- New carpeting and tile flooring was installed in classrooms and hallways at the following buildings:
 - Central Elementary
 - Lincoln Elementary
 - Sheridan Elementary
