

Come sail with us at Little Traverse Sailors!

Registration for Summer 2024 is set to begin on March 1. LTS offers sailing lessons for all abilities for youth age 8-16. Classes begin on June 17 and run through August 16.

If your child is a year round resident living north of the 45th parallel, they qualify for our **local rate of \$200** per session (regular rate is \$325). **Prior to registering** just send a report card to admin@littletraversesailors.org and you will be given a code.

LTS also offers need-based scholarships. The confidential scholarship application can be accessed during registration.
